Entrance Vouchers (Online)

Invite your customers to demopark 2019!

Customer care the easy way! Using vouchers is an effective and international proven instrument for customer service. You invite your customers individually to the exhibition and offer an additional incentive by meeting the costs for your customer to enter the exhibition.

The online-entrance voucher enables your customers to enter the exhibition grounds for free on one day.

According to the individual needs, the exhibitors will get a list with alphanumeric codes, instead of printed voucher. You can use the list to implement these codes into your invitation e.g. serial letter or serial Email.

Every customer will get an individual code which has to be exchanged into an entrance voucher at the ticket shop on the demopark 2019 homepage.

The exhibitor's name and the stand number will be displayed on the entrance voucher. On site the entrance voucher needs only to be captured by a scanner.

We order

voucher codes (1 Voucher code = 1 Voucher)

Only redeemed vouchers are being charged after the show.
The cost per redeemed voucher is 6.00 Euro subject to VAT.
