

House Rules and Regulations demopark + Special Turf Show 2021

1. Scope of application

These General Regulations apply to the entire exhibition complex operated by VDMA Services GmbH, including entrance areas and carparks.

2. Domiciliary rights

The exhibition site is private property and is subject to the domiciliary rights of VDMA Services GmbH. In individual cases, it may also transfer it to the operator of the airfield site.

3. Access to the exhibition complex

3.1 During the exhibition, access to the exhibition complex is restricted to persons in possession of admission passes valid for admission at the relevant event times. Pass holders must keep their admission passes with them until they leave the exhibition complex and must show them to the security staff on request.

3.2 During set-up and dismantling periods, VDMA Services GmbH is authorized to verify access accreditation (e. g. of stand construction and service-provider employees) by means of personal identity checks at the exhibition complex.

3.3 Children and young people under the age of 14 may enter the exhibition complex only in the company of a parent, guardian or suitable chaperone.

3.4 VDMA Services GmbH reserves the right to prohibit the bringing of animals. This does not include guide dogs. In any case, it is prohibited to allow animals to roam freely.

4. Refusal of entry

Persons may be refused access to the exhibition site without compensation if they

- do not follow the orders of the security personnel,
- to refuse consent to control measures,
- are recognisably under the influence of alcohol or drugs,
- clearly have the intention to disrupt the event or
- there is a house ban against them.

5. Security

5.1 All persons admitted to the exhibition complex are subject to and must follow the directions of security staff.

5.2 It is prohibited to carry weapons or dangerous objects that can be used as weapons or projectiles, as well as fireworks, pyrotechnic material, explosives.

5.3 VDMA Services GmbH reserves the right at any time and without suspicion to search vehicle luggage/storage compartments and bags carried by persons.

6. General code of conduct

6.1 The exhibition grounds, tent halls, technical facilities as well as the areas of the special Turf Show and other amenities of the exhibition complex and the carparks must be treated with care and respect.

6.2 Littering of the exhibition halls and the grounds is prohibited. All waste, packaging, wrappers and paper must be disposed of using the bins provided.

6.3 All persons on the exhibition site must behave in such a way that no one else is injured, endangered or more than unavoidably harassed. Any behaviour that is likely to disturb the peace and order within the exhibition grounds and the tent

halls or that could negatively influence the image of the grounds or the event is to be refrained from.

7. Traffic regulations

7.1 Die VDMA Services GmbH reserves the right to impose time and spatial restrictions on vehicular access to and on the exhibition complex, to prohibit such access outright, make it subject to certain preconditions and regulate it in any other way it sees fit.

7.2 The regulations of the German Road Traffic Act (StVO) as well as the special traffic regulations of demopark 2021 (www.demopark.de) apply on the exhibition grounds. The maximum permitted speed on the gravel paths is 20 km/h. Vehicle operators and pedestrians must comply with all signs governing vehicular and pedestrian traffic. Specially marked areas, such as spaces for fire vehicles, emergency and escape routes and emergency exits, must be kept clear at all times.

7.3 VDMA Services GmbH is authorized to have removed without prior warning and at the operator or owner's expense any unlawfully parked or placed motor vehicles, trailers, containers, semi-trailers, swap bodies and the like and any obstructions of any kind.

8. General Prohibitions

8.1 Outside the stand areas are

- any kind of advertising, such as the distribution or posting of promotional literature, the setting up of advertising structures,
- to conduct exhibitor and visitor surveys,
- commercial activities such as offering goods and services not allowed.

8.2 Visitors are not permitted to advertise for their own or third party purposes.

8.3 Vehicles of any kind - with the exception of wheelchairs - may not be driven on the exhibition grounds during the opening hours for visitors.

8.4 The launching and landing of drones on the exhibition complex grounds on carparks is not permitted. Exceptions to this prohibition require prior written approval from VDMA Services GmbH.

8.5 The exhibition area is subject to a ban on smoking in all enclosed areas, including the entry areas and tent halls.

8.6 It is not permitted to spend the night on the exhibition grounds.

9. Photographic and video recordings

9.1 All Photographic, film and drawings of stands, in particular of exhibits, also for private purposes, are only permitted if the exhibitor concerned has expressly agreed in advance.

9.2 The ban according to 9.1, does not apply to the press and TV companies who are engaged in their general reporting activities in the exhibition areas and tent halls.

9.3 VDMA Services GmbH advises that photographic and video recordings may be made at the exhibition areas and tent halls by VDMA Services GmbH or its authorized

contractors or agents. By entering the exhibition grounds, the exhibitor consents to such recordings and publications.

10. Liability and final provisions

10.1 The stay on the exhibition grounds is at your own risk.

10.2 VDMA Services GmbH is only liable for damage caused as a result of wilful or grossly negligent behavior of VDMA Services GmbH, its legal representatives or assistants.

10.3 In the event of violations of these General Regulations, VDMA Services GmbH reserves the right to eject the offending persons from the exhibition complex and/or bar them from the fair in question, without recourse or compensation, by imposing a temporary or indefinite banning order.

10.4. The individual provisions of these house rules and regulations shall be effective independently of each other. If one of these provisions should prove to be invalid, this does not affect the validity of the other provisions.
